

# Lady Legacy

Lady Legacy is Austin, TX's **Only** Premier Female Rap Artist. Born in Brooklyn, NY and raised in the ATX, Lady Legacy is Austin's premier female rapper. With fierce lyrics and vicious rhymes, Legacy raps like a tigress to edgy beats that have you innocently grooving like fresh prey. With an attitude that's nothing but real, this delicious diva keeps her feet on the street and her heart on the Eastside.

As a leader in Austin's rising Hip Hop community, Lady Legacy started Positivity for Purpose, an organization that encourages youth and supports emerging artists by using the Hip-Hop culture as a tool to educate through positive, purposed associations. Summer events like There IS H.O.P.E. in Hop-Hop, and regular workshops bring into balance a lifestyle that influences today's pop culture worldwide.
